## Rotary Hammer

45mm DH 45MA

# Heavy-Duty 45 mm SDS-max Rotary Hammer

**Designed to Provide Easy Handling and Fast Drilling**

**Large Change Lever**  
For easy and smooth mode switching

**Low Vibration Handle**  
The integrated vibration damper reduces vibration and fatigue  
**LVH**  
LOW VIBRATION HANDLE

**Quick Bit Mounting**  
A bit can be mounted by simply inserting it into the chuck

**Large Trigger Switch**  
Easy to hold with less fatigue

**Powerful Brushed Motor**  
The powerful 1,400W motor delivers the power needed for heavy-duty applications

### Rotary Hammers

45mm DH 45MA **NEW**

### Specifications

Model		DH 45MA
Capacity	Drill Bit Dia In Concrete	45mm
	Core Bit Dia	125mm
Power Input		1,400W
Type Of Motor		Brushed
Bit Shank		SDS-max
Impact Energy		11.3J
No Load Speed	Rpm	380/min
Full Load Impact Rate	Bpm	2,900/min
Overall Length	Length x Height	535 x 287 mm
Weight		9.4kg
