HiKOKI is the global leader in the field of power tools. Hitachi Koki India Pvt. Ltd. Established in 1996 and it is 100% subsidiary of HiKOKI – Japan. The Company has made rapid revolution into the Indian market with wide range of power tools, as well as outdoor power equipment and accessories which caters various industries like construction, wood and metal working.

HiKOKI has been one of the pioneers in innovation, the latest one being the brushless motors technology which has lot of advantages over the traditional universal motors. The technology offers constant voltage, constant speed, maintenance free rotor and hence very less maintenance of tools.

HiKOKI India is backed with pan India network, involving 12 branches, 500+ strong dealer network and 4 ware houses.

QUALITY

We have a stringent quality control program and all HiKOKI products are without exception subject to rigid inspections and tests at each stage of manufacturing. Parts are scrutinized to ensure no flaws by expert inspectors and are thoroughly tested at assembly lines to ensure optimum performance. Each finished product is further carefully examined for conforming to Hitachi's quality standards.
